next week **Mark Bennett**

VOLUME III, No. 15

Wednesday, February 4, 1981

The 1981 Kinsmen Winter Carnival Queen Sharin Gilligan beams as Tara Davies, 1980 Queen, drapes the royal stole about her shoulders. Sharin was chosen Senior Queen Friday evening just after the official opening of this year's winterfest. A complete report on carnival activities can be found below, while a carnival scrapbook of the weekend activities can be found on the centre four pages of this week's edition.

Township appeals OMB ruling

The decision of the Ontario Municipal Board which blocked a subdivision on Minden Lake is being appealed by the Anson, Hindon and Minden Township Council. The approval to proceed with the appeal was given at the January 28 meeting of the council.

According to the information given at the council meeting, the appeal, which will take the matter to the Ontario Cabinet for

reconsideration, will not cost the municipality any money. The lawyer for the developer, Elmar Hodsell, will represent the township in the appeal.

An Ontario Municipal Board member recently disallowed the township's by-law which would have permitted a 25 lot subdivision on the south shore of Minden Lake.

The OMB had heard arguments concerning the development last April and in late December. The ruling

was released in mid-January. Township Reeve Lloyd Walker stated that the township had to stand behind its by-laws if it felt they were right.

Members of the lake association convinced the Ontario Municipal Board hearing chairman that the lake could be adversely affected by such a development on its shores. The hearing chairman, W.H.J. Johnson suggested in his ruling that the township should freeze any further development on the lake until a lake capacity study could be completed.

Commenting on the association's objections to the proposal, Deputy Reeve Doug Pritchard pointed out the township stands to lose tax revenue if the development is blocked.

The status of the appeal is somewhat uncertain at this time following the decision earlier this week to call a provincial election.

MTC still says 'wait'

After a careful review of the question of additional lighting on Highway 121 just east of Highway 35, the Ministry of Transportation and Communications has concluded that it could be up to two years before new lights are installed. The decision was contained in a letter read to the January 28 meeting of Anson, Hindon and Minden township council.

The council had asked MTC to review its previous refusal to install the lighting. The council was acting on a request from residents on the highway who are concerned about the safety of the roadway. The council has supported the need for lighting in the area.

According to the MTC the only new item to come out of the review was the suggestion that the power of the lamps to be installed be increased from 150 to 200 watts. The ministry's electrical engineering department had made the study.

The letter from the MTC pointed out however, that realignment work on the highway is due to take place in the next two years and it would be a waste of money to install poles for lighting now, only to have to move them in the near future. The ministry spokesman suggested that any installation await the road work, which according to the letter, may be up to two years away.

Everyone a winner at Carnival

Just about everyone was a winner this past weekend as the Minden Winter Carnival, under the sponsorship of the local Kinsmen Club, was held.

The annual event was blessed with ideal weather on Saturday and Sunday morning. Sunday afternoon stiff winds brought in blowing snow that sent many visitors scurrying for home. But as they left, they took with them memories of a good time and warm hospitality.

The following is a list of winners of various events held during the Minden Winter Carnival. Several winners are missing, including those from the car racing on ice and the Snowdeo. It seems that during the stormy weather Sunday afternoon participants were in such a hurry to head for home

that the list, which was to remain here, was packed off with a car from Toronto. That list of winners should be available next week.

Carnival Queen

Senior Queen was Sharin Gilligan while Shelly Bull was named the Senior Princess. Chosen as Junior Queen was Jenny Rendall with Margaret Brown the Junior Princess.

Other senior contestants included: Cathy Howe, Candy Findlay, Carla Lichty, Debbie Stribling, Suzy Brown, Karen Stewart, Sherry Walker, Debbie Irwin and Teresa Cowen.

Other junior contestants included Marcie Rendall, Margaret Smith, Susanne Vuksic, Bonnie Lynn Moffatt, Sylvia Wingat,

Diann Clayton and Jennifer Gentle.

This year's queen and princess contest sponsors included: J.A.C. Kernohan, Brown's Auto Wreckers, Frontier Motors, Mike's Milk, Rockcliffe Hotel, Austrian Village Restaurant, Dominion Hotel, The Corner Store, Joe Rivers, Highlands Communications, Minden Marine and Automotive, Kawartha Dairy, Minden Electric, Prentice Roads, K & W Restaurant, John Francis Fuels, Camp Kandalore, Brown Owl Restaurant, Wig-A-Móg, Mabel's Cut & Curl and Campbell's Gift and Flowers.

Parade

Commercial floats: first and recipient of the Vasey

Real Estate trophy, Kawartha Dairy; second, C.M. Construction; third, Cox's Apparel.

Non-commercial floats: first, and recipient of the Gerry Haywood trophy, Cubs and Scouts; second, Archie Stouffer School; third, Hyland Crest.

Log sawing

First, 20 seconds, Steve Bodmore and Phil Nichols; second, 25 seconds, Dan Tournere and Ed Harrison; third, 26 seconds, Ray Downs and Terry Hopkins.

Tug of War

The event was won by the team known as the "dead weights". Members included Arthur Nye, Rick Sullivan,

(more on page 2)

January weather

Average high.....	-8 (C)	17.5 (F)
Average low.....	-22.7	-8.8
Average for the month.....	-15.3	4.4
Average for January 1980.....	-8.1	17.7
Highest temperature (Jan. 26).....	7	44.6
Lowest temperature (Jan. 4).....	-41	-41.8
Snowfall.....	28 cm	11 in.
Rainfall.....	4 mm	.1 in.
Total precipitation.....	32 mm	1.2 in.
Days with freezing rain.....	2	
Snow on the ground January 31.....	46 cm	18 in.
Snow on the ground January 31, 1980.....	14 cm	5 in.

January was a very cold month, with temperatures much lower than normal but on an average with January 1977.

There were only two days during the month when the temperature reached above the freezing mark and the average low never approached the melting point. The amount of sunshine received was above average while the amount of precipitation was below average.

Only three more months to go!!

FROM THE CHAMBER

By Bob Stinson

Laying aside some of our differences over the past number of years our Chamber has now found a formula that should work not only for us, but for the other organizations that represent tourism in specific regions throughout the Central Ontario region. Based on a presentation proposed by our Chamber, COTA has adopted a membership policy which allows us to consider them partners and avoid the past feelings of being threatened by this large body with access to government funding.

According to the new plan, we will now purchase memberships in COTA for all of our members that are related to the tourist industry. In addition to paying a base membership of \$200.00 for the Chamber we will pay \$7.00 from our members fees to COTA for a membership for them, and \$50.00 on behalf of tourist associations such as the Lake Kawartha group. We will also pay a \$200.00 fee for our County's membership. All members so designated will be provided with all membership services including a listing in the annual COTA publication.

If for any reason someone wished to join COTA directly without going through our Chamber they have that option at a rate of \$50.00 (for up to 10 employees) and up.

It is hoped that the thrust of COTA will be to handle the heavy media advertising and continue to generate inquiries which we can follow up on with our own area advertising and brochures. We look forward to a much improved working relationship and feel sure that our members will reap new benefits from this "Partnership for Progress".

Huntsville interested in our programs

Of late, there has been much said about what the Chamber should or should not be doing. Much of it is said in a way that suggests the Chamber is some outside body forcing some individual viewpoint on our local scene. The fact is the Chamber is you — members and citizens of Haliburton County. What it does is the end result of a volunteer board of directors decision passed on what they feel you want, and the available resources to do it with. If you don't agree, you may be part of the problem. Maybe you're not communicating your ideas and priorities to the directors well enough.

We are indeed fortunate that we do have a viable Chamber of Commerce here to make use of. Outside our area we are viewed with some envy but some areas that are not satisfied with what is

available to them. Last week a director of the Huntsville Chamber of Commerce called and asked for our "success story". They had looked over some of our publications, talked to some of our members and wanted to know how we do it. The following is our reply:

Dear Mrs. Lake:

Thank you for your call requesting some details on our "successful" operation. I don't want to mislead you that everything is peaches and cream here for our Chamber, so I have included along with the other documents a copy of a recent newspaper editorial which tends to be rather critical of the Chamber. When recognition is so difficult to attain here at home it is certainly encouraging to receive it from our neighbours.

Enclosed is our budget for the past year, a copy of our current marketing plan and some of our current brochures and literature.

Our Chamber is a County-wide organization, the only county-wide Chamber of Commerce in Ontario. It was originally a tourist association and it became a Chamber in 1964. With that background we have always had a strong involvement in promoting tourism and are alternately criticized for either "being concerned with nothing else", or becoming involved in "other issues when we should be busy promoting tourism".

I have included copies of our publications over the past few years so that you can see the progress we have made towards a more effective promotional presentation. The 1981 promotional campaign which is now at the printers was a very ambitious project but we have been successful in almost reaching our advertising sales objective and are very excited about the anticipated results of it. I will be happy to send along copies when it is printed.

You will note by our budget that we have been receiving generous support from our county government but in a sparsely populated area such as ours, with no large companies to lean on for heavy assistance we do need this type of participation from the county. We have been trying to increase the percentage of support by our members over recent years, but it remains at about equal to that of the County's. Advertising revenue from members however, increased dramatically this year with our new marketing plan.

There is much more we would like to do and that needs to be done but we are severely restricted by the

Central purchasing suggested for township departments

A suggestion that the township institute a system of central purchasing has been put forward by Councillor Ed Pergolas. The councillor made the suggestion at the January 28 meeting of the council.

The matter came up for discussion during consideration of the Public Works Department annual report. Pergolas, referring to the inventory with the report, noted there were seven 45 gallon barrels listed in the inventory, but that he had counted 13 in the garage earlier that week.

Pergolas said he was concerned some items which had been purchased were overpriced or that too large a quantity of certain items were being purchased. He suggested that tighter inventory

controls were needed and that a central purchasing system would help ensure the township was getting the best value for the money it is spending.

The councillor also suggested that some items purchased for the Public Works Department (PWD), could also be used by other departments and that savings could be realized by making joint purchases.

The call for a more accurate inventory of the PWD led to the suggestion that all departments in the municipality should provide the council with inventories. "I'll have an inventory of the fire department by next meeting if you'll provide one of the ambulance service," Deputy Reeve Doug Pritchard challenged Pergolas.

During the past few

meetings PWD spending has come under intense scrutiny, especially from Councillor Pergolas. This, at times, has raised the ire of PWD supervisor Earl Kent. He noted that some of the items in the garage inventory have been in stock since before he was appointed supervisor. Kent also noted that other departments had used material from the PWD garage in the past without being charged for the items. He also pointed out that purchasing one item to be used by a number of departments could jeopardize the subsidy the roads department receives from the provincial government on some items.

Inventories for the various municipal departments are expected to be completed by the next meeting (January 11).

Tires slashed

Perhaps it was a matter of musical taste or too much carnival spirit, but at least one participant in last week's winter carnival left an ugly calling card.

Early Sunday morning a van belonging to Robert Hookey of Toronto had three of its tires slashed. Hookey is a member of the band Bluegrass North, which played this past weekend at the Dominion Hotel. The vehicle was parked at the back of the hotel when the vandalism took place.

Damage was estimated at \$300.

Constable Bill Clendenning of Minden OPP investigated the incident.

Carnival winners

(from page 1)

Steve Bodmore, Ray Downs and Terry Hopkins.

Pole Climb

First, the team of Steve Crowe, Larry Anderson, Perry Kimble and Bob Heppleston with 11 seconds to the bell.

Second, the team of Rick Sullivan, Steve Bodmore, Allan Hildereth and Ray Downs with a time of 12 seconds.

Snowmobile events

Drags: 340 fan - Pete Connolly.

funds available. We manage to keep a year round information centre open by combining it with our office and fast copy-work service. We would like to have a direct line to Toronto, and a slick ad and billboard campaign and maybe some day we will, if we can find a way of acquiring those kinds of funds.

I would be happy to meet at some time with you and others on your Chamber, if you feel it would be meaningful. I am sure you will agree that both our regions can benefit from the successes of each other and a spirit of co-operation between us.

Open modified - Brent Coltman.

Sunday snowmobile events

Class A2 - Pete Connolly.

Class B2 & B3 - Steve Stewart.

Open race - Steve Stewart. Businessmen's Challenge Cup - the winner was Barry Stewart of Minden Electric with honourable mention going to Jadek Sports entry driven by Pete Connolly; Brown Owl entry with Leroy Lichty driving and Shell Service Centre with Wayne Coltman driving.

Hockey

In the Oldtimers game played Saturday evening, the Minden team was defeated 13-5 at the hands of Ennismore.

In the Novice tournament Saturday, Baysville won the championship with North Oshawa taking the consolation. (A complete report of the tournament appears elsewhere in this paper).

Broomball

The winner of the Sunday tournament was Townsend Stellar from Jarvis with the Toronto Zoo team taking second spot. The tournament was a five team round robin event with two teams from Jarvis, one from Toronto, one from Minden and one from Millbrook.

Wrist wrestling

160 pound and under - Kevin Hunter.

160 to 200 pounds - Brad Fraser.

200 pounds and over - Jim Keetch.

Women's open class - Norma Goodger.

Quilt draw

The winners of the two quilts were Kathy McKelvey of Minden and Mr. Allen of Oshawa. The proceeds from the ticket sales will go to the Italian earthquake relief fund.

It is difficult to tell which of these two team members is having the rougher time as they grimace their way up the pole during the pole climbing competition. The contest was one of the many Saturday afternoon activities during the Winter Carnival.

Local committee to be chosen

Haliburton is one of the first Counties in the province in which childrens' services are being transferred from provincial to local control. That was one of the points made at the Thursday night meeting of the Haliburton County Social Planning Council.

The council met at Pine-Stone Inn to discuss the future of the group which will oversee the operation of childrens' services in the county.

Since the provincial authorities decided on this change in direction, committees have been forming in various counties to help administer the services which are presently being operated by the province. The province will continue funding the services it now does even though control is changing.

Those in attendance heard from three speakers who outlined the history of the change, and what it will mean

to those involved at the local level. The speakers included Bob Penny, program supervisor of childrens' services with the Ministry of Community and Social Services, Glyn Lewis who is Haliburton County's representative on the Childrens' Services Steering Committee for the Haliburton, Victoria and Peterborough region, and Marnie Ingram, a co-ordinator with the steering committee.

One of the main purposes of the meeting was to collect names to be considered for the local steering committee. The council received a large number of suggestions, and an effort will be made to pare that number to the required eight members. The group hopes to involve those who are not chosen for the main committee, to serve on special sub groups. The selection of the main committee is expected to be made this week.

Concern over club rentals

Representatives of the Minden Curling Club will meet with township council February 11 to discuss a number of concerns raised by a spokesman for the Recreation Commission at last Wednesday's meeting. Ken Bannon of the commiss-

ion appeared before the January 28 meeting of Anson, Hindon and Minden council.

Bannon told the meeting that the commission members were concerned the curling club facilities would, once they are completed, be rented for various functions and this would hurt income realized through arena and community centre rentals. In particular, Bannon noted that the curling club was being operated by volunteers while the Recreation Commission has a number of employees.

Councillor Lyle McKnight, who is also a member of the Recreation Commission, pointed out that the arena is already operating in a deficit position.

Deputy Reeve Doug Pritchard told Bannon when

the construction of the curling club was first being discussed, the club president agreed then that the facility would not be operated in opposition to the community centre.

Bannon also expressed concern over the cost of maintaining the parking area adjacent to the community centre and curling club. He pointed out that any snow clearing now being carried out by the township road crew is charged to the recreation department. He suggested some formula would have to be established or areas of responsibility marked off.

The council hopes an agreement with regard to snow ploughing and hall rental can be worked out between the two groups at next week's meeting.

BIA by-law passed

The Business Improvement Area by-law, covering redevelopment of the core area of Minden, was passed at the January 28 meeting of Anson, Hindon and Minden Township Council.

The by-law contained the amendment which a chairman of an Ontario Municipal Board hearing in Minden in late December had requested. The amendment states that merchants opposed to and in favour of the BIA be equally represented on the Board of Management.

The passing of the by-law clears the way for the local council to form that board and for planning to begin. No indication was given when the council intends to create the board, which will include six merchants and one member of the council.

Lost wheels?

Still wondering whatever happened to that ten speed that went missing sometime last October? Chances are if you lost one (or had it stolen) it could be cooling its wheels at the local OPP detachment.

Constable Gary Chapman reports a bike, in excellent condition, was found last year and no one has come forward to claim it. If you think it is yours it can be claimed at the local detachment by identifying the two-wheeler.

NOTICE

The Ministry of Natural Resources is now offering a second sale of fuelwood, cut in random lengths and piled on Lot 3, Concession 13, Hindon Township, approximately 22 miles north of Minden.

This second tender for 50 cords will close February 17, 1981. Tender forms and additional information may be obtained from the Minden office of the Ministry of Natural Resources.

Editorial

Kudos for Kinsmen

Congratulations are in order for the members of the Minden Kinsmen Club for the fine winter carnival enjoyed by many here last weekend. While the luck of the weather, (and in this case the elements were 85% right-on), has much to do with the success of an outdoor winter event, planning and organization also plays an important, but often unseen role.

Events like the winter carnival involve volunteers who must spend many hours long before the occasion takes place to ensure everything runs as smoothly as possible. These volunteers are often unseen and unheralded, but the results of their labours are obvious to anyone taking part.

The success of the winter carnival also rests with the participation of those for whom the event is staged. This can mean entering a float in the parade, sponsoring a contestant in the queen pageant or just attending to take in the activities. It was obvious from the crowds on hand at most events that the carnival has ample community support.

We congratulate the Kinsmen for their effort this year. They have set a high standard to shoot for.

Pointing the way

Councillor Ed Pergolas has come out swinging in his freshman term as a member of the Anson, Hindon and Minden Township Council. One of his early targets has been signs - those directing (or misdirecting) visitors to and around Minden.

While we agreed with most of his contentions - some road signs do lack clarity or are downright misleading - we are reluctant to endorse his condemnation of the finger board signs that dot the poles at the bridge. These markers have been erected by businesses which are not fortunate to have a location on the main street.

We agree that some of these signs could stand a new coat of paint or to be replaced altogether, but we don't consider them to be an eyesore. Rather, we think these signs add to the community as well as provide a service to people looking for the locations of various businesses. These signs also reflect a common scene in cottage country and we think they add character to the community.

We certainly think this totem of finger boards is more appealing than the 3 inch steel pipes Councillor Pergolas has proposed erecting on either side of the bridge to support community event banners. Council should consider all aspects of the finger boards before banishing them.

Lost in a cloud of swirling snow, this small crowd of hardy spectators were on hand Sunday afternoon to watch the snowmobile races at the fairgrounds. Blustery weather made driving and watching difficult.

REPORT FROM QUEEN'S PARK

By John Eakins, M.P.P.

Undoubtedly the state of Ontario's economy is going to be a major issue in the forthcoming provincial election, and this would seem to be an appropriate time to mention some up-to-date facts in this connection.

Unemployment is of considerable concern to us all, of course. In December 1980, 87% of the increase in Canada's unemployment occurred in Ontario. The term "youth unemployment" is used when referring to people between the ages of 15 and 24. Of this group, some 117,000 were unemployed in December. This was a 7,000 increase over the previous month, and - coincidentally - a 7,000 increase over December 1979.

The situation with respect to permanent and indefinite layoffs is another indication of the seriousness of the unemployment picture in this province. Some 27,910 workers were placed on permanent or indefinite layoff during the first eleven months of 1980.

Ontario's budgetary position is also cause for considerable concern. According to the most recent Ontario Finances report, dated September 30th, 1980, Ontario's budgetary deficit had risen 23 per cent in six months. The mini-budget of November 13, 1980, pushed net cash requirements to \$1.059 billion, an increase of 81 per cent over the final results for 1979/80. Interest on the public debt stands at \$4.4 million per day, compared to \$982,000 per day in 1971.

Another economic factor which cannot be overlooked is the number of bankruptcies which have occurred. Over the past ten years, business bankruptcies in Ontario have tripled (personal bankruptcies have increased tenfold). In 1979, there were 10,500 bankruptcies in this province.

In its latest provincial forecast, dated October 28, 1980, the Conference Board in Canada predicted that "Ontario will bear the brunt of the 1980 economic slowdown. Real output in the province is forecast to decline by 1.6 per cent this year and to remain below 1979 production levels through most of

1981...softness in labour markets will restrain provincial average wage growth below that of the national average pace."

In 1977, for the first time, Ontario qualified for equalization payments from the federal government as a have-not province. Under the formula, before recent federal amendments to ensure that Ontario would never receive payments, Ontario was entitled to \$800 million at the end of 1980. While one of the

reasons Ontario has become a have-not is the growth in provincial oil and gas revenues in Western Canada, equally important is the slow growth in revenues from Ontario's traditional tax sources - personal and corporate income tax.

Between January and June 1980, 15,744 Ontarians left this province for Western Canada. On an annualized basis, this means a projected loss for 1980 of over 31,000 people from Ontario to the West.

by Ron Reid of the Federation of Ontario Naturalists

This week's column marks a special occasion. This is the 100th edition of these nature notes.

1981 is a special occasion as well for the Federation of Ontario Naturalists which sponsors this column, since this is our 50th anniversary. So instead of describing the wildlife or the natural areas of Ontario, this week's column focuses on the people who care about the protection of nature's handiwork.

FON is a collection of 12,000 such people, bound together simply by an interest in nature. Traditionally, naturalists have been portrayed as "little old ladies in tennis shoes", but in fact this hobby cuts across all age and income barriers. FON's Executive, for example, includes businessmen, academics, teachers, and "domestic engineers", and that diversity is typical of our membership as a whole. Some naturalists are experts, but most are not - amateur naturalists often join FON because they want to learn.

FON's major role is to help in this learning process, through a quarterly magazine, a summer camp for adults, brochures and speakers, and an extensive program of wilderness and natural history trips. But as people learn more about nature, they almost automatically become more concerned about its destruct-

ion, and this concern has led to FON's second major role - acting as an advocate for environmental protection.

Virtually all of us can think of a meandering stream that once sparkled in its cleanliness, now reduced to a muddy ditch or concrete canyon, or flowing not at all in the summer months. Or a favorite woodlot, jewelled with spring trilliums and serenaded by the music of hidden songbirds, now paved or built over or

farmed upon. The wildlife and the wild plants that depend on these areas have no voice to speak for themselves when their future is being determined. It falls to a group of concerned citizens, like FON or its affiliated local clubs, to speak out on their behalf. That speaking out has been a force for nature for half a century now, since our first representations to the Special Game Committee of the Ontario government in 1931 urged the setting aside of more wildlife sanctuaries.

If you are interested in learning more about FON and what we can do for you, drop us a line at 355 Lesmill Road, Don Mills, Ontario, M3B 2W8. With your support we can make sure that the protection of Ontario's wild heritage is not overlooked.

Letters

Editor:

This past week I have twice awakened around three o'clock in the morning and seen a nice bright moon which appears about half full. A little piece below it there is something like another moon, only it looks hazy and blurred. I have never noticed this before.

Can any readers tell me what this is?

Florence Robinson,
Minden.

STANHOPE NOTES

A.F. Stevenson

The recent fire which destroyed the home with contents and clothing of Mr. and Mrs. Colin Barjarow, and their three children, has resulted in the Airport Committee deciding to share the proceeds of the Valentine Dance to be held on February 14 at the Firefighter's Community Hall.

The committee has decided to turn over half of the proceeds to a fund being started to assist the family meet this misfortune. The committee would also welcome any donations of foodstuff for the dance, thus keeping the cost to a minimum. This dance is usually staged by the flying enthusiasts to raise funds to enable them to hold the annual Fly-In enjoyed by so many area residents. Their decision to assist the Barjarow benefit is certainly a commendable one, and Mrs. Pam Rolfe informs us that anyone wishing to support the fund, but not intending to go to the dance, may make donations of money by cheque payable to The Barjarow Benefit Fund and deposit same with Gerald Bain at the Stanhope Township Office, or with Pam Rolfe at the office of the Carnarvon Lumber Supplies.

While on the subject of the Stanhope Airport Committee it is worth noting that Derek Rolfe, long time supporter of the airport activities and Safety Officer for the committee, has been chosen to receive the award for his entry in the antique aircraft class at the Annual Experimental Aircraft Association of Canada Show held last July at Orillia. Derek's entry was his 1945 Taylor Craft and he will attend the Association convention in Toronto, February 7 to receive his award. Our congratulations to Derek.

The recent protest from many municipalities across Ontario, in which Stanhope Township joined, objecting to the failure of the Ministry of Environment to consult with South Cayuga on the decision to locate an industrial waste disposal site in that community, seems to have made some impression on the authorities. The Ministry will now be holding public hearings to acquaint the residents with details of the proposed operation and the type of facility for processing the various types of waste material. The Ministry also intends to unveil the details of personnel who would administer the operation.

While the up-coming hearing does not meet the expectations of municipalities with regard to the Environmental Assessment Act, it is certainly re-assuring to know that the concerns of the public are being given attention.

Emergency pre-paredness and disaster control came up for discussion at County Council when Mrs. Julie Gray spoke on the subject. She outlined the need for by-laws dealing with such control measures and indicated the need for a master-plan on a County wide basis rather than a municipal level.

Mrs. Grey also pointed to

the need for creation of a committee which would include representatives from the O.P.P., Fire Departments, plus other key personnel. It was decided to hold a seminar in March to be attended by those considered essential to such a program. It will be open to the public.

A letter from the Ministry of Housing regarding Shoreline Allowances indicated that some complaints have been received regarding delays in implementing the program at the municipal level. However, it would appear that the Ministry is satisfied that the hold up is due to need for action by the County in coming forward with a comprehensive program.

The council members listened with some interest at the report on the Maple Syrup Feasibility Study was made by the consultant, Mr. Jim Brown. The study, financed twenty-five percent by the County and 75% by the province, for a total cost of \$10,000, presented a picture of a possible county wide industry which could be beneficial to several of the County municipalities.

Factors regarding acreage, financing estimates, management, were outlined and some mention was made about the new method of removing

water from the sap by mechanical means followed by boiling, using oil produced heat. The consultant pointed to lower operating costs by the new method and this prompted Reeve Jim Harrison of Stanhope to question the effect on a County like Haliburton where wood cutting is a source of employment, and also to point to the general oil situation that might prevail in the future.

In the consultants breakdown of hard maple stands suitable for the plan, Stanhope was shown to have a favourable position with 9 concentrated stands totalling more than 1,100 accessible acres. There was a large acreage of less assessable and lower concentrated stands but the heavier concentrations lend themselves to earlier consideration, should the industry become an actual fact.

Haliburton County Big Brothers Association will get a boost from area bowlers February 14 as a "bowl-a-thon" will be held at Carnarvon Lanes.

The event, co-ordinated by the local bowling group and the 1000 Lakes Bowlers' Association will see merchants and politicians from the county trying their hardest Saturday afternoon at the lanes. The participants have been gathering pledges and will be raising funds based on the number of points they can amass in a single game. For those with a penchant for gutter balls, organizers have set a 100 point minimum for each of the bowlers.

Some of those who have agreed to take part in the fund raising effort include Halibur-

Tuesday morning Rev. Trevor Denny of the Haliburton Anglican Church held an inspiring service in the Chapel. Agnes Taylor was here to play the organ during the service.

In the afternoon, several people enjoyed a game of Bingo in the main lounge. Later in the evening, Mr. Fred Ballard entertained us with some organ music. It is always a pleasure to welcome Fred to our home!

Wednesday's Game

Night was again a big success. This week, the students were here from Haliburton H.S. Everyone enjoyed themselves playing euchre, cribbage and crokinole.

Thursday afternoon the ladies of West Guilford ACW brought a delicious assortment of homemade goodies for the Special Birthday Tea Party.

Special guests of

THE TIMES Page 5 honour this month were Doris Vaughan, Herbert Shorter and Hugh McEachern. The ladies presented them with a lovely birthday cake and we joined together to sing Happy Birthday. Our thanks to the ladies for making this a very special day.

Saturday at noon several residents boarded the Hyland Crest Bus and went downtown to watch the annual Winter Carnival parade. Our float won first prize for the best non-commercial. It was a nice outing which didn't take us too far from home in this winter weather.

Weekend mishaps

Two weekend accidents were the only ones reported by Minden OPP for this past week. Both were single car mishaps.

The first incident occurred Saturday afternoon as Keith Gillham, 48, of Aurora, lost control of his van on the Irondale Road. The vehicle flipped over causing an estimated \$6,000 damage.

Gillham was taken to Minden Red Cross Hospital where he was treated for suspected broken ribs.

The accident was investigated by Constable Boyd Jarvis.

The second mishap involved a late model Subaru. Driven by Thomas Irwin Medlock, 68, of Orillia, the car left the South Lake Road and struck a number of trees. The driver was not injured, but the vehicle sustained \$2000 damage.

The investigation was carried out by Constable Brian Dunham.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH

— NOTICE —

All dogs are required by law to be tagged. The fee for each licence tag is \$5.00. 1981 Dog Licences and Tags are now on sale at the Municipal Offices, located approximately 3 miles south of Minden, Ontario, on Highway 35, or from the By-law Enforcement Officer.

Further take notice that charges may be laid at any time after May 1st, 1981, for any dog not licenced and tagged according to law. Charges may also be laid if a dog is found running at large whether tagged or not.

Wayne D. Hughes,
Clerk-Treasurer.

*Good Citizenship
deserves a
Medal*

Do you know anyone here in Ontario who-through selflessness, humanity and kindness without expecting anything in return-has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

12 recipients are selected yearly by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing:

Executive Secretary
Advisory Council
Ontario Medal for Good Citizenship
Queen's Park
Toronto, Ontario M7A 1A1

Making a nomination is itself an act of appreciation for good citizenship. All nominations should be received by April 15, 1981.

Ontario Medal for Good Citizenship

PUCK TALK

Tyke

Justin Gentle led the Minden Tykes to a 10-0 defeat of the Haliburton team with a six goal effort. Gentle also assisted on one of the other markers.

The win for the Tykes came Saturday afternoon in Haliburton.

Other goal scorers for Minden were Danny Potter with a pair; Oliver Greer with a single and an assist; Aaron Hie with one and one, and Hunter Obee with an assist. Donald Landry, playing his first game in net, recorded the shut-out.

Atom

The Minden Atoms went down to a 5-1 defeat at the hands of Haliburton January 27. Jeff Francis scored the only goal for Minden with the assists going to Derek Allison and Scott Russell.

This was the last league game for the Atoms. They now enter a double round robin series with Bobcaygeon, Orono and Sunderland. The series opens tomorrow, (February 5), with Minden facing Bobcaygeon at the local arena.

Pee Wee

It was a stand-off Thursday evening at the Minden arena as the local Pee Wees and Bobcaygeon played to a 3-3 tie.

Glen Hall picked up a pair

of goals for the Minden squad with Tom MacLeod notching the other marker. Tom also assisted on the other two goals, with second assists going to Gord Wood and John Ballantyne. Kevin Cowan assisted on the MacLeod goal.

The teams were tied 3-3 going into the final minutes of the game when coach Neil Burk pulled his goalie. However, the teams had to settle for the tie. The boys played their best game of the season.

The Pee Wees now begin a round robin series with Bobcaygeon, Orono and Sunderland.

Bantam

The Minden Bantams were idle this past week. They begin play-offs this week, facing Bobcaygeon and Sunderland in a round robin series.

Midgets

Eldon Bull led the Minden Midgets to a 7-4 romp over Haliburton January 27 at the

Haliburton arena. Bull scored three goals to lead the way. One of Bull's goals came on a penalty shot.

Other Minden scorers included Ivan Ingram with a pair and one assist; Andrew Shapiera with a single and two assists; Kevin Hamilton with one and one; Andy Pristol with two assists; and Bob Edge and Craig Coneybeare with an assist each.

Haliburton received 22 minutes in penalties compared to 12 minutes for Minden.

In the four games these two teams have played during the past season, Minden has won two, lost one and tied one.

Like all other teams in the Minden league, the local Midgets now begin a round robin play-off series with Bobcaygeon, Orono and Sunderland.

Minden runners-up in consolation series

The Minden Novice team was named runners-up in the consolation round of the tournament held in conjunction with last weekend's winter carnival. The local team lost to North Oshawa in the consolation final by a 4-1 margin.

The eight team tournament saw the squad from Baysville claim the championship hardware after they defeated Story Park of Oshawa in the final contest. As tournament champions, the Baysville team received the Eric Coulter Memorial Trophy and medallions for all the players. Championship runners-up, Story Park, were awarded the Kinsmen Trophy and medallions.

Consolation champions, North Oshawa, were presented with the Prentice Roads trophy and medallions while the Minden team received the Bill Porter trophy and medallions for

their runner-up finish.

Joey Boyle led the way for the Minden team during the tournament scoring the team's three goals. One was unassisted, while help on the other two came from Mike Hughes and Lee Raback.

Officials from the visiting teams were pleased with the way the tournament was run and they enjoyed the hospitality offered by Minden and area residents during the carnival.

The scores in the first round of the tournament were: Lakefield 2 - Minden 0;

Baysville 1 - Otonabee 0; Story Park (Oshawa) 4 - Knox (Peterborough) 3; St. Andrews (Peterborough) 5 - North Oshawa 0.

In the championship rounds: Baysville 4 - Lakefield 2; Story Park 4 - St. Andrews 1, and in the final Baysville 3 - Story Park 1.

In the consolation round, Minden 2 - Otonabee 2 (Minden wins game by scoring the first goal); North Oshawa 4 - Knox 3. In the consolation championship, North Oshawa 4 - Minden 1.

SHOCK TALK

Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.

So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.

If a line falls across your vehicle, stay inside until a hydro crew removes the line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.

**Electrical safety
is no shock to you.**

Sir Sandford Fleming College

invites

NOMINATIONS

for

Fellowship in Applied Education

Sir Sandford Fleming College has instituted this Fellowship to recognize citizens for significant achievement or contribution to their community. The awards are open to anyone, regardless of their educational or other backgrounds, and can be made for volunteer work in the community.

Nominations should be received prior to February 23, 1981. Fellowships will be presented by the respective campuses during May convocation ceremonies in Lindsay and Peterborough.

Nominations for Victoria and Haliburton counties should be directed to: The Chairman, Fellowship Award Committee, Frost Campus, Sir Sandford Fleming College, Box 8000, Lindsay, Ontario, K9V 5E6. Nomination forms may be obtained at local Chamber of Commerce offices or by writing to the above address or telephoning (705) 324-9144.

Nominations for Peterborough county, or the relevant portion of Northumberland county should be directed to W.K. Borland, Chairman, Fellowship Award Committee, Sir Sandford Fleming College, Peterborough, Ontario, K9J 7B1. Nomination forms may be obtained by writing the above address or telephoning (705) 743-5620.

sir sandford fleming college

Mr. and Mrs. Robert Rankin of Oshawa spent the weekend with Doreen James; item of note is that Parkwood Rotary Club of Oshawa also are sponsoring a guest from Australia in the person of Kathy Kelly and Kathy met the Australian girl who is presently here in our village with Rotarians.

Do all the good we can,
By all the means we can,
In all the ways we can,
In all the places we can,
At all times we can,
To all the people we can,
As long as we can!

Anon

Samantha Dobbs and her mother Pearl, of Toronto visited with the Bill Beers family for Carnival weekend.

This past Saturday Dick Schell drew the winner of the second chance draw at Mae's with name being Cliff Dodd and the prize was a necklace. There will be another draw on Wintario non-winners at Mae's, on tickets bought at this outlet.

We are not OLD while in us springs
A joy in all new living things;
To watch a kitten chase its tail
Or ducklings launching out to sail—
And watching, share the morning mood
We knew - when all in life was good...

Anon

The community sends good wishes to these people in hospital, Lillian Madill, Rowland Sedgwick, and Doug McKelvey, and to any others who are unknown to us.

Sincere sympathy goes to the family and friends of the late Herbert Robert Bock who has passed away since last week.

Kinmount Klippings

by Pat Shorter

It's been a fairly quiet week in Kinmount. The weather has been good for an early spring, I hope.

Results of Galway Euchre are as follows:
Men's high: Ken Yonge.
Men's Low: Bob Allen.
Ladies high: Alma Harper.
Ladies low: Flo Drinkle.
Lone hands: Leon Wright.

Birthday wishes to Jim Nightingale, Ken Yonge and Nancy Hutton.

Get well wishes to the mail lady. She can't seem to find out where she left her voice. Check your mail boxes, anything is possible.

The Kinmount and District Horticulture Society wish to thank all who attended their annual meeting held on January 28. The results of the election held at that meeting are as follows:

President - Mary Hartin, Sr.
Vice President - Guy Scott.
Second Vice President - Clara Watson.
Secretary - Treasurer -

Mr. and Mrs. Leslie Coulter of Kirkfield visited his father Angus Coulter last Sunday.

Weekend guests with Mrs. Ern Hewitt included the Fred Hewitts of Scarborough and the Alec Beatties of Richmond Hill.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon, winners for cribbage were Diane Stevens and Luther Wilson, and for euchre lone hands, Verna McDonald and others, Betty Harper and Johann Beattie.

Mr. and Mrs. Bob Dudman of Markham were weekend guests with Mrs. Grant Hewitt.

Pat Porter and her friend Irene, were in Toronto last Saturday night to see the Maple Leaf Hockey game; the one here in Minden featured the old time Monarchs.

Today, Monday, is supposedly Ground Hog Day, and we heard that in Lanark County two did come out and check whether the sun was shining; over there it was snowing. Small chance for us, we always have lots more of winter and snow coming.

Mr. and Mrs. Dave Pink and Christian of Orillia visited one day last week with Mrs. Ern Hewitt.

Mrs. Laura Faulkner of Toronto and Mr. and Mrs. Roy Faulkner, Natalie and Scott of Brampton visited Saturday with Mrs. Verna Jarvis.

Mrs. Arnold Coulter visited Clare Coulter in Peterborough on Monday and early Tuesday.

There was a draw made for quilts for 'Kin' and winner of

one of these was Cathy McKelvey; Mr. Allen of Oshawa won the other. Windows in many of our stores had grand displays and this added to the weekend. Also would like to state that, in our opinion, the parade which went on time (nearly) was one of the best we have seen.

In the girl's contests, congrats to the winners, Sr. Queen Sherry Gilligan and princess Shelly Bull; Jr. Queen Jenny Randall and princess Margaret Brown. There were many entrants and the judges did their best to choose the ones who were best, a difficult chore, we're sure.

Pearl Durant was away for a few days visiting relatives in Toronto and Ottawa.

Your watchword now is Plot and Plan,
Do all the secret goods you can.
Take your "Old Friends" by surprise
And scatter star-dust in their eyes.
You do not know the joy of living—
If you don't know the joy of giving—

Anon

We had a houseful, the Glen Sears of Oshawa, the Muriel Ewings and Sandra Sears and the Paul Warbur-

tons, all of Toronto.

The Whipper Watson Snowarama goes next weekend for Crippled Children and is a joint project of Minden and Haliburton Rotary Clubs; there is a large

Lines from Lutterworth

by Jean Lacey

Hi! That was some snow-storm on Sunday, heard those below us had freezing rain, so we didn't fare too badly.

Had to admire the kids for walking in the parade Saturday as it was so cold. Hope everyone enjoyed the carnival, we did.

Our son Bill, his wife Wendy and their daughter Dawn Marie were up on the weekend for the carnival and to do some ice fishing. The hut was finally christened, they caught one lake trout.

Steve and Betty Fox went to Oshawa to visit both parents over the weekend.

Lil Porter's daughter Norma Mebenichuk and son, Steven, visited with her last weekend.

Gary, Sandy, Scott and Lindsey were up visiting with the Dunsfords.

Also, Rick and Pam visited with the Windovers and the Dunsfords.

Clare Wright, with a couple of his friends, John Eakins and Gord Williams, visited with his parents and friends in the area.

Dave, Carole, Jim and Kelly, MacDonald from Sharon, visited with his parents and stayed over to wait out the storm.

Snow on the Land
by Lucille Crumley
Snowflakes frosted rooftops,
fences, trees;
Whispered soft against cold
windowpanes,
And tiptoed through the
empty country lanes.

Snow fluttered down in filmy
curtain white,
Feathering, covering, silent
through the night.
Soundless as a day without a
breeze,
It seemed that over all the
quiet land
God had softly laid a gentle
hand.
All the woodland's rustling
whisper dims;
The brook sings muted music
like old hymns.

Hint of the Week

When carrying a cup or bowl full of liquid, put a spoon in it and the liquid won't slop over. To prevent soggy salads, place an inverted saucer in the bottom of the salad bowl. The excess liquid drains off under the saucer, and the salad stays fresh and crisp.

A nickel goes a long way now. You carry it around for days without finding a thing to buy.

Kids Korner

Sally the Pig

Sally the pig, a mother-to-be,
Was sad and ill at ease;
Wherever she went on the
farm where she lived
It said: NO LITTER HERE
PLEASE.

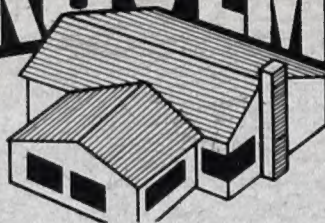

Well Kids, I hope you had a good time at the carnival and didn't get too cold.

Linda had a little cat,
She fed it on tin cans;
And when the cat had kittens
They came in Ford sedans.

Knock, knock.
Who's there?
Wendy.
Wendy who?
Wendy joke is finished, you'd better laugh.

Bye for now. Take it easy.
God bless till next time.
